School Closure Update

March 25, 2020

Dear Abby Kelley Faculty, Staff and Families:

Late this afternoon Governor Baker [announced](#) the need to extend the state's directive on school closures. At this time, we anticipate school being **closed through at least Monday, May 4, 2020**. While this was a hard announcement, it is in the best interest of everyone in the state.

During the next Administrative Council virtual meeting we will discuss Abby Kelley's next steps, which will be under the guidance of the state's Department of Elementary and Secondary Education (DESE).

This is not the news any of us wanted to hear; but we **all** need to do our part and hope that these measures make it possible to "flatten the curve" we hear so much about.

Sincerely,

Brian Haas

Executive Director

Abby Kelley Foster Charter Public School does not discriminate on the basis of race, color, sex, gender identity, religion, national origin, sexual orientation, disability, or homelessness and all students have equal access to the general education program and the full range of any occupational/vocational education programs offered by the district.
