April Update

April 10, 2020

Abby Kelley Families:

Direction from the Department of Elementary and Secondary Education (DESE) was given to school districts to determine independently, if the district continued with the planned April Break or if the district adjusted these days to Academic Days.

Abby Kelley, per a vote of the Board of Trustees earlier today, **will change** the April Break to Academic Days; specifically **Tuesday, April 21- Friday, April 24** will be considered Academic Days for the 2019/2020 school year. Please note that **Monday, April 20th is a Massachusetts State Holiday** and will be observed as such.

With this addition of these four days to the Academic Calendar, the **last day of school** had been adjusted as well to be **Thursday, June 11th**. These changes are reflected on the [Academic Calendar](#) on the Abby Kelley website.

Additionally, by today you will have heard from the principal of your student(s) school explaining how work completion and credit/no credit works at each school.

Finally, we are not having any non-essential meetings at this time including PTO, Booster, etc.

Thank you for all you are doing and stay healthy!

Sincerely,

Brian Haas
Executive Director
