

Principal's Update

January 13, 2023

Hi Everyone,

NO SCHOOL: There is no school on Monday, January 16th for the Martin Luther King Holiday.

2nd Quarter:

The Quarter ends on Friday, January 20th.

When we return from break students will have 9 school days of classes before the close of the 2nd quarter. It is very important for students to make sure they have completed all their

work and make up anything missing during the vacation.

The majority of assignments are located in each teachers Google Classroom page.

School ID's

All students have received their Official ID's in early December. Students that are not wearing them around their neck and are not using them to get lunch, breakfast or to borrow school materials are subject to an office detention.

Transportation:

We have had an ongoing issue with some Middle School students riding the High School buses to school in the mornings. This is not allowed. This is due to our bus ridership being full and the two schools having a variety of different stops and times. The majority of our buses are full each morning, so students that are not registered to ride that bus are taking seats from those that are.

We do understand that there are some issues in terms of buses being on time and having different drivers. This is a bus company issue and we are doing the best we can at this time. Busing is an ongoing issue for schools throughout the state.

If there is a problem with your child's high school bus, please contact Mrs. Fitzpatrick at the High School with the issue.

Midterm Exams:

Grades 8-12 will have Midterm exams the week of 1/17-1/20. Students have 2 exams each morning and will be dismissed after their exams each day at 10:52 am.

On Wednesday, January 18, they will be dismissed at 10:45am. Each exam is 2 periods long.

Each exam counts as 10% of the students final grade. These exams should be taken seriously as Teachers are using them to gather data on students' academic growth and seeing what they have retained and are able to apply from the first semester.

Teachers will be handing out study guides for the tests and reviewing during and after school for the exams. Students should take advantage of all of these opportunities.

Schedule for Exams is attached.
