## Important message from Nurse Ariel

In order to create as safe an environment as possible for your students, it is very important that we have the most up-to-date information regarding your student's health. As this school year comes to an end and we start preparing for the next one, please help us keep your students safe by sending any physicals and/or health updates to Nurse Ariel. (email: [astricker@akfcs.org](mailto:astricker@akfcs.org) fax: 508-854-3514)

Please also be aware that due to Massachusetts laws, no student may participate in sports if the school does not have a physical on file dated within 13 months. If your student intends to play any sport in the 23-24 school year, please make sure that they have completed a physical and it has been sent to the school. If you have any questions or concerns, please contact Nurse Ariel.

## Meal Modification Update

An updated policy for accommodating individuals with disabilities in the AKFCS Nutrition Program has been added to the school website. Please contact Director of Food and Nutrition Services, Stephanie Collins, 508-854-8400 x4645, [scollins@akfcs.org](mailto:scollins@akfcs.org) if you have any questions.

## Student Social Media - FAMILIES WE NEED YOUR HELP!

Please monitor your students social media accounts at home. Negative social media exchanges between individual students and student groups are impacting relationships within our school environment.

## Student Chromebook Replacement

**Please be advised:** If a student Chromebook is damaged due to improper use, Families will be charged the full value for a replacement.

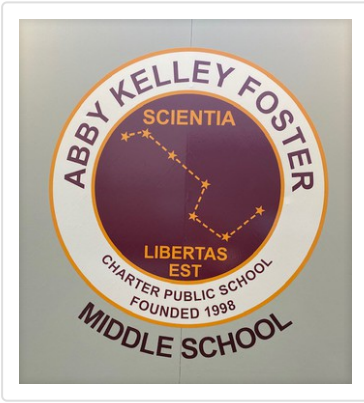

Insurance was offered to all families at the start of the school year  
Replacement Chromebooks can only be purchased by the AKFCS IT Department
