HIGH SCHOOL UPDATE:

Report Cards:
Report cards were delivered via PowerSchool today. You need to have your account set up in order to view your child's grades. Again, if you need help setting up your account please

contact the school and we can get you set up in the system.

Above are the directions on how to access your students grades/report card, either on a computer or App.

Thanksgiving Food Drive:
We believe that you chose AKF because we value Character Education and we truly believe that being a good person and citizen is as important as the skills they learn in the classroom. For the past 10+ years we have held a food drive during the Thanksgiving season and have donated hundreds of Thanksgiving dinners to St. Peters food bank. We are running the event again and are asking students, if they can, to donate items that we will deliver to St. Peters during the week of Thanksgiving. We are setting our goal at 500 items this year and I know we will exceed that.

We held a dress down day today and raised over $600. This money will be used to purchase Turkeys and canned goods for our food drive. Thank you to all who donated. We will still be accepting any donations next week of the items below.

Here is a list of items that we will be collecting:
Tin foil Turkey Pans
Canned Vegetables/Soup
Squash
Potatoes (instant or bag)
Dinner rolls or bread
Cranberry sauce
Gravy (Jar)
Stuffing
Dessert
Juice (Cranberry, apple, grape, etc)
Any Non perishable food (not expired)
Frozen Turkeys

This event is being co-sponsored by AKF's Student Council and AKF's branch of National Honor Society. Thank you in advance for your support.

Parent/Teacher conferences will be held on: November 20th at 11:30-2:45 via Zoom and 5-7 - in person November 21st at 11:30-2:30 via zoom.

You will be receiving invitations (for Zoom conferences) through ***Sign Up Genius*** from all your student's teachers next week. You will need to choose a time for each course. If you prefer to come into school, for the in-person evening session, please note that these meetings will only be 10 minutes long as well, as there will be many parents waiting in line to speak to the teachers. If you require a longer meeting time, you are always welcome to set something up with individual teachers or administration at a time that works for everyone.

Chromebook Insurance Extended

We are excited to announce that the insurance company we use to insure student Chromebooks has extended their window in which parents can purchase insurance for their student's Chromebook. The high school has about 20% of parents that took advantage of the insurance, which is a great start. We HIGHLY recommend every parent look into the insurance, which is around $24 and covers almost all damages to Chromebook. Below is the information about the insurance program.

Note from the Nurse Hello students and families! I hope everything is going well as we roll into the fall season. Just a few friendly reminders from the nurses office. Please have your child bring their water bottles to school with them, hydration is important for overall health. Be well, Sara M Ramirez High School Nurse

Athletics

Fall sports are coming to an end. Congratulations to our Boys and Girls soccer teams, as well as our girls volleyball team. We saw tremendous growth on all of these teams and we are proud of the hard work shown by our student athletes.

Winter sport tryouts are on November 27th. Students must complete the online registration in order to tryout. All students must have a up to date physical on file with the school. (Physicals are good for 13 months)

All sports schedules are located on our website at https://www.akfcs.org/schools/high/departments/athletics/

Any parents that may be interested helping with the Booster Club this year should email Mr. Morse at bmorse@akfcs.org
