🐾Welcome🐾

Families,

Please join me in welcoming Ms. Megan Noonan as the next Elementary School Principal here at Abby Kelley Foster Elementary! She is an experienced charter school principal who was held in high regard by those who were part of the principal search. I am beyond happy to know that she

will be the one to lead Abby Kelley Foster Elementary in its continued pursuit of academic excellence while building strong character virtues in all of our students!

Thank you for allowing me to serve the students, families, and staff at Abby Kelley Foster Elementary over the last six years. Abby Kelley will always hold a special place in my heart.

Sincerely,
Kelly Gould

Community Events

Worcester Caribbean-American Carnival Association (WCACA)

One of our students led the parade at last year's annual event as the mini-grand Marshall at Worcester Carnival which is hosted annually. Her costume was mermaid themed and was made by hand.

The WCAC is hosting a children's event next month in addition to our annual Carnival, which will be on Sunday August 25th.

The WCACA is dedicated to the empowerment of people, preservation of Caribbean tradition and respect for cultural diversity. Using the Worcester Caribbean American Carnival as a vehicle, we seek to promote a broader understanding and deeper appreciation of the Caribbean and Black American experience. EMPOWER

FATHER'S DAY EVENT

JOIN US

The Empower Father's Day event is taking place at Gillette Stadium and is an event filled with fun activities, games, food - and even special guests! The event welcomes children and young adults up through age 24 who have experienced the loss of a father.

At Empower, we know that Father's Day can be a difficult day, and perhaps the weeks leading up to the day is tough, too. Kids can find "relief from grief" and meet others who can relate to the loss of a father.

RSVP TODAY

Registration is simple and the event is FREE of charge to the family. Children ages 14+ may enroll online at www.weareempower.org and younger children should be enrolled by a caregiver or other adult who knows and loves them.
